

Democratic National Committee et al.,

Petitioners,

v.

Heather Boehm, in her official capacity as
the Clerk of the City of Walworth,

Respondent.

Case No. _____

DECLARATION OF EVELYN SCHMIDT

I, Evelyn Schmidt, declare as follows:

1. My name is Evelyn Schmidt. I am over the age of 18, am competent to testify, and declare the following facts based on my own personal knowledge.

2. I am a U.S. citizen and a registered voter in Wisconsin. I am a resident of Whitewater and am currently a student at the University of Wisconsin–Whitewater.

3. Since around 6pm CT on election day, November 5, 2024, I have been observing the polling place at the University of Wisconsin–Whitewater University Center.

4. The polling place has experienced very long lines, with voters stretching from the University Center’s Hamilton Room to its dining center. These voters need to update their voter registrations, which is the cause of the delay. Based on my observations and what I have been told by volunteers, voters who need to update their registrations have needed to wait in line for up to five hours.

5. Within the past few hours, based on my conversations with volunteers, there have been 400–500 voters in line waiting to update their registrations and cast their ballots.

6. I am particularly concerned because the University of Wisconsin–Whitewater has many disabled students, and waiting in line for up to five hours is very difficult given the limited opportunities to sit down while waiting.

7. I declare under penalty of perjury that the foregoing is true and correct.

Dated this 5th day of November, 2024.

/s/ Evelyn Schmidt
